IFA 2017: IFA App 2017 is available for download

Your most important information for IFA on-the-go: exhibitor information, hall plans and event program

Berlin, 17 August 2017 – The app will assist you in planning your visit to IFA in the most efficient way: By downloading all the important data once, you can use the app anywhere, regardless of your mobile internet connection. The exhibitor and product list can be downloaded, the search function can be used for quick help, and the 2D / 3D hall plans can be navigated easily over the exhibition grounds. The IFA App is available in English and German, for iOS and Android devices.

With the "My IFA" memo function, personal favorites for the show can be saved and notes can be taken. In conjunction with a [Virtual Market Place® account](#), the personal exhibition planner can also be called up here. In addition, the IFA+Summit and the "What's on Now" function are available in the IFA App.
