# Join us for IFA Smart Home

More than **40 international companies** presented groundbreaking solutions for networked homes at the IFA premiere Smart Home display area covering more than **32,000 square feet**.

## The turnkey solution includes:

- Booth space
- Stylish stand construction according to specification
- Promotion Package Starter
- All additional fees
- Internet access
- Electricity (3kW)
- Exhibitor passes
- Access to the Smart Home Exhibitor Lounge

Choose between a high-end **turnkey booth design** or the option to set up your own **individual booth**.
