Join us for IFA Smart Home

More than 40 international companies presented groundbreaking solutions for networked homes at the IFA premiere Smart Home display area covering more than 32,000 square feet.

Choose between a high-end turnkey booth design or the option to set up your own individual booth.

The turnkey solution includes:
- Booth space
- Stylish stand construction according to specification
- Promotion Package Starter
- All additional fees
- Internet access
- Electricity (3kW)
- Exhibitor passes
- Access to the Smart Home Exhibitor Lounge
