

Traffic Information:

On Sunday, September 2, it is recommended to car drivers to avoid the area around the Berlin ExpoCenter City.

During IFA 2018, traffic delays are to be expected in Charlottenburg:

Between 7.00 am and 1.00 pm, Jafféstraße – one-way street from Heerstraße towards Messedamm - will be closed to traffic. However driving on Heerstraße will still be possible.

During that time, the road traffic coming from Spandau via Heerstraße to the Berlin ExpoCenter City exhibition grounds, will be diverted via Theodor-Heuss-Platz and the Masurenallee street.

IFA visitors are encouraged to park at the Olympia stadium and use from there the free shuttle bus service to reach the exhibition grounds. Another possibility will be to arrive with the S-Bahn (suburban train station: Messe Nord/ICC) or the U-Bahn (subway station: Theodor-Heuss-Platz).

The Jafféstraße closure ends on the Sunday afternoon. The traffic will then resume as usual.
